PRESTIGE LEATHERS

Prestige Leathers is an OEM/ODM manufacturer of motorcycle riding gear in leather and technical textiles. We build for export buyer expectations first, while supporting global export requirements through spec first development, consistent fit control, and retail ready finishing. Global ready manufacturing for buyers who want premium presentation, reliable repeat orders, and spec driven production.

Our Core Values:

- Premium finish and disciplined construction.
- Measurement control and repeatable bulk production.
- Clean approvals, predictable timelines.
- Private label trims, packaging, and identity control.
- Built-to-spec, test ready construction.

Premium Leather Racing Suits (1-Piece & 2-Piece)

A premium-grade leather riding suit engineered for aggressive riding posture, track-level mobility, and high-abrasion protection zones. Built-to-spec for export buyers and private label brands seeking retail-ready finishing and consistent fit.
